Federal Energy Regulatory Commission

[Docket No. RP95-128-000]

East Tennessee Natural Gas Company; Notice of Request for Extension of Time

January 13, 1995.

Take notice that on January 11, 1995, East Tennessee Natural Gas Company (East Tennessee), filed a request for an extension of time in which to make any credits due from excess revenues received pursuant to its cash out

mechanism. East Tennessee requests permission to make any credits no later than August 1, 1995.

East Tennessee states that Section 7 of its LMS-MA Rate Schedule requires it to credit any revenues received pursuant to its cash out mechanism in excess of actual costs incurred, within ninety days after each anniversary of the implementation of restructured services. However, as a result of technical difficulties with the volume allocation systems of both East Tennessee and its principal supplier, Tennessee Gas Pipeline Company (Tennessee), East Tennessee states that it does not currently have final, accurate information on which to base credits. Without knowing what it will be charged by Tennessee, East Tennessee can not determine whether it must make any refunds or not. East Tennessee therefore requests an extension and agrees to make any credits found to be due no later than August 1, 1995.

Any person desiring to be heard or to make any protest with reference to said filing should file a petition to intervene or protest with the Federal Energy Regulatory Commission, 825 North Capitol Street, N.E., Washington, D.C. 20426, in accordance with Sections 211 and 214 of the Commission's Rules of Practice and Procedure, 18 CFR 385.211 and 385.214. All such petitions or protests should be filed on or before January 23, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to this proceeding. Any person wishing to become a party must file a petition to intervene. Copies of this filing are on file and available for public inspection.

Lois D. Cashell,

Secretary.
